Dear Ms Narayen:

After speaking with my counselor and getting my family's approval, I would like to submit for your review and consideration my resume and credentials as a potential student at Georgetown University. I have begun to narrow my college and career pursuits and have always dreamed of attending a college as prestigious as Georgetown University. Hopefully my academic abilities and passion for debate will afford me the opportunity to fulfill my dream of going to the college that founded the first collegiate debate society in the country.

I am currently a senior attending James W. Martin High School in Arlington, Texas and am a member of the Debate Team, Varsity Swim Team and partake in other high school activities. My GPA is a 3.62 and scored a 1350 on my SAT's. Academically I believe I am the type of student that would fit within your school and add value to The Robert Emmett McDonough School of Business. My leadership skill's has afforded me the opportunity to be captain of my debate team and has helped me to overcome adversity as a student, an athlete and a member of my community.

Having talked with my counselor and truly evaluating myself, I believe that my work ethic, skills and abilities could contribute to your business program if given the opportunity. I will be calling you over the next few days to make sure you received my package and hopefully talk about what you look for in a potential student. I would appreciate any information you can send me regarding your campus and Business School, along with scholarship and financial aid that might be available at Georgetown University.

If you have any questions, please let me know.

Sincerely,

Stacy Gonzales
