### Guaranteed College Recruiting

“While clubs talk about helping player get recruited, few are actually providing their members the support needed to get into college much less get recruited. As a former youth and college player, being college ready on and off the field is essential. That’s why we are including a proven approach to college recruiting as a member benefit to our players,” said Tim Trevino – Director of Operations for [American Academy of Soccer](http://www.AmericanAcademyOfSoccer.com).

As a premier youth soccer organization in the Dallas-Metro plex, American Academy of Soccer is launching a Members Only College Connection Center giving families the ability to link, share and connect to college opportunities 24/7/365. Using a real-time searchable database, members can instantly access 5800 Universities and, over 5000 collegiate soccer coaches representing NCAA – NAIA – USCAA – NCCAA and NJCAA programs live online.

From taking an online college tour or accessing the video library to remove the myths of college recruiting and, hear “Best Advice” from college coaches, teachers, parents, and player offering honest insight on what it really takes to get recruited – the America Academy of Soccer College Center offers this and more.

“We want the best for our families so we choose the best company in the industry and, that’s [The Sport Source](http://www.TheSportSource.com)®. They wrote the book on recruiting long before anyone cared about helping players take their game to the next level. From youth to college and beyond, they are simply the best,” added Tim.

Additional member benefits include free mentor support, age/grade specific timelines, practice PSAT – SAT – ACT test, Core Course and Athletic Eligibility Calculators, a custom Resume Wizard, and a live Online Connection platform to name a few.

“We are excited to work with American Academy of Soccer to empower players and help parents choose the right college and, make an educated decision on what’s best for their child and family”, said Charlie Kadupski – Founder and CEO of [The Sport Source](http://www.TheSportSource.com)®.

During the year, American Academy of Soccer will host #IAmCollegeBound workshops powered by [The Sport Source](http://www.TheSportSource.com)® starting in the fall of 2017.
