Valeo Futbol Club is pleased to announce a new partnership with The Sport Source® to provide college planning and recruiting guidance to help its student-athletes prepare for the future.

In partnership with The Sport Source®, Valeo Futbol Club members will receive FREE practice PSAT – SAT – ACT tests, mentor support, grades 9-12 timelines, scholarships and financial aid information, along with a video library filled with tips and advice from college coaches, players and other industry professionals. With an easy to use format, understanding what it takes to plan for college, is made simple.

Currently less than 2% of all youth soccer organizations provide families with any meaningful guidance. “We felt the timing was perfect to implement a resource that will help all our student athletes prepare for the future. We are extremely pleased to provide our Members Only-College Connection Center as part of the Valeo FC experience”, said Nathan Stern, Inner City Director, of Valeo Futbol Club. “Academically, all student-athletes will have access to tools to help them find the best college fit for their needs and academic pursuits. For those who are pursuing their athletic interests as well, they will have everything they need to understand the process, what it will take, and what they will have to do in order to earn a roster spot.”

“Valeo FC families have access to 5800 Universities in the U.S. and Canada, and contact information on nearly 5000 collegiate soccer coaches, covering all levels of the NCAA-NAIA-NCCAA-USCAA & NJCAA. Whether a student-athlete has strictly academic endeavors in mind for their college experience, or seeks to play their game at the collegiate level, they now have the resources to help them navigate their chosen path easily.” added Nathan.

Founded in 1989 The Sport Source® provides college readiness for student athletes throughout the United States and abroad. Each year over \$300 million in scholarships, grants and aid are awarded to families using this proven approach. The kids are our future and we are pleased to partner with Valeo FC”, said Charlie Kadupski Founder & CEO of The Sport Source®.
