

November 2018

Welcome to all the student-athletes, coaches, officials, families and fans to The Sports Source 28th Annual Showcase from the City of Dallas and the Dallas Sports Commission!

As the nation's ninth largest city, #1 visitor destination in Texas and #1 sports city, Dallas is dynamic, with a vibrant economy fueled by \$20 billion in new development, a strong corporate base, outstanding culture, entertainment, restaurants, retail and a passion for sports. I encourage you to explore some of our newest venues: Klyde Warren Park, Perot Museum of Nature and Science, the GeO-Deck at Reunion Tower, Trinity Groves and the George W. Bush Presidential Center.

We have a great tradition of soccer in Dallas. As we move forward in our campaign for Dallas to serve as a Host City for the 2026 World Cup, we are excited to welcome The Sports Source College Showcase. Please enjoy your stay and return to Dallas soon!
